

2019 VERMONT FUEL TANK REBATE PROGRAM

Vermont law requires all aboveground heating oil and kerosene tanks to be inspected at least once every three years. Fuel dealers are prohibited from filling a tank that does not meet minimum safety standards.

If you live in Vermont and need to replace your fuel oil tank, you may be eligible for a \$250 rebate.

How to qualify for the Vermont Fuel Tank Rebate

1) Hire a Vermont Certified Tank Inspector and Fuel Oil Tank Installer

Find out who is certified at vermontfuel.com/list

2) After the new tank is installed and the old tank is removed, submit the following:

- Completed tank *Customer Information & Agreement Rebate Form*
- Invoice/proof of purchase, verifying a new fuel oil tank was installed in Vermont
- Completed copy of the *New Installation/First Fill Inspection Checklist* provided by and signed by a Vermont Certified Tank Inspector

The fuel oil tank must be installed after April 1, 2019 to be eligible. The Vermont Fuel Tank Rebate Program will close on October 31, 2019 *or when funds are exhausted*. All documentation must be received by October 31, 2019.

Customer Information & Agreement Rebate Form

I understand that to qualify for the rebate, I must replace a non-compliant tank with a new tank that meets Vermont's AST Regulations and the work must be performed by a Vermont Certified Oilheat Technician and Inspector. Only one rebate per building, only one rebate per customer.

Name Signature

Physical Address *Where tank is installed* City/Town State Zip Code

Mailing Address *If different from physical address* City/Town State Zip Code

Phone E-mail Address

Name of Heating Fuel/Service Company Name of Vermont Oilheat Certified Installer/Inspector

TERMS & CONDITIONS: The 2019 Vermont Fuel Tank Rebate is for an oilheat or kerosene tank installed at a home or business in Vermont. The tank must be installed between April 1, 2019 and October 31, 2019. The rebate check will be distributed directly to the customer only if the completed form, proof of purchase, and the New Installation/First Fill Inspection Checklist is received before October 31, 2019. The program will end on October 31, 2019 or when funds are exhausted, whichever comes first. Only one rebate per building. Only one rebate per customer. Recipients of a Tank Replacement Grant from the Vermont Dept. of Environmental Conservation are not eligible for the Vermont Fuel Tank Rebate. The Tank Rebate Program is subject to change without notice.

INSTALLATION & INSPECTION: A tank qualifying for a rebate must be installed by a Vermont Certified Oilheat Technician and inspected by a Vermont Certified Tank Inspector. A list of individuals and companies that provide this service can be found at vermontfuel.com/list. The proof of purchase must include the tank size, manufacturer, purchase date, and vendor.

LIMITATION OF LIABILITY: Performance of installed equipment is not guaranteed expressly or implicitly. No particular manufacturers, products, or system designs are endorsed through this program.

PAYMENT: Allow 45 calendar days for delivery of payment. Incomplete or missing information will delay or deny rebate processing. All rebate requests must be received by October 31, 2019 or before the funds are exhausted (whichever comes first). *Only one rebate per building. Only one rebate per customer.*

Send this completed form, proof of purchase, and New Installation/First Fill Inspection Checklist to:
Vermont Fuel Dealers Association — PO Box 1370 — Montpelier, VT 05601
Fax: 802-419-3313 E-mail to: info@vermontfuel.com

The 2019 Vermont Fuel Tank Rebate Program is brought to you by the Vermont Fuel Dealers Association (VFDA) in partnership with the Vermont Agency of Natural Resources and the National Oilheat Research Alliance (NORA).
